FUNERALS AND WAKES

WAKES AT THE GUILDFORD PAVILION

The Guildford Pavilion team understands that making arrangements for a funeral reception can be a very stressful and emotional time, so let us make the arrangements for you. From flowers, to food and drinks, we have a professional onsite team who can arrange all the details for you, so you don't have to.

Nestled in the heart of picturesque Guildford, with the Crematorium and Cemetery just a stone's throw away, The Guildford Pavilion offers a unique backdrop for family and friends to gather for a celebration of life. Being a private events venue, whichever space you choose will be exclusively yours for the day, giving you full privacy for your event.

Within this brochure, there are details of packages offering a wide range of options, however if you are looking for something a little different, we are able to offer bespoke options too. Get in touch with one of our Events Planners to discuss your choices. It would be our pleasure to show you around the venue and discuss your personal requirements, to ensure you can be present on the day and spend time with your loved ones.
